

A Wise Investment of

TIME

MONEY

**This Class can pay
big dividends
toward your
future goals**

*Registration form and
check must be received*

*prior to the first session
of a class.*

On-site registration at the
first session will be
permitted if:

- the maximum number of 30 has not been reached
- materials are available

*It is in your best interest to
register early since enroll-
ment is based on a first
come, first served policy.*

High School
Striving for Excellence

Program

ACT Cambridge Review

Research indicates that students can increase their speed and accuracy on the ACT by reviewing math and verbal concepts, learning test-taking strategies and by taking simulated tests. In response to the students' need, Francis Howell North is offering a seven week, twenty-one hour course to prepare students for the ACT. The Cambridge Review is a nationally recognized ACT preparation course taught by knowledgeable teachers. The goal is to help students improve their ACT scores for college admissions and scholarships.
